

MESSAGE FROM THE PRESIDENT :

A big thank you to Conrad Neumann for running the show last meeting. I was told that he did a great job. Thank you to Cheri Austin and Dennis Petersen for helping him out as well. Bob Thomas, Len and I had a wonderful time in Leavenworth at the Tacoma Corvette Club's car show. Great venue. There were only 40 cars there but one of our members won first place in their category. We will let you know who at the next meeting. We have other members win trophies at another car show. Well done.

There is so much going on its making my head spin. But the most important date is the 5 Star date for the week end of August 19th through the 21st. I am very excited about our 5 Star. The weather will be spectacular, the cars, food and location, oh my. I am putting together 4 baskets for the auction. I couldn't make up my mind. So, one will be a Margaretville basket, another a Cosmopolitan basket, a Pina Colata basket and a Chocolate basket. Ok, seems like alcohol is my theme. Well it is. I know these kinds of baskets are popular.

We had 27 cars at the Jet Chevrolet Cruise-In. Yes it was pretty warm but tolerable since there were 5 tents set up among the members. It was fun. Dick Lynch put on a great spread of fried chicken, macaroni and potato salad, dessert and plenty to quench our thirst. There were door prizes and a 50/50 with proceeds going to the Family Renewal Shelter. Met some other Corvette enthusiasts that may join our club.

See you at the next meeting if not at our Picnic.

[Corvette News](#)

Coming Soon.....

In June, GM announced that [it's investing \\$290 million](#) into its Bowling Green, Kentucky plant, home of the Corvette. The C7 is barely three years old, is a sales success, and is the only **car** built at the plant. So unless there are some big changes coming to the car, it seems like an odd place for the company to spend that kind of scratch. Back in Detroit, more test mules are spotted [being driven in broad daylight](#).

In July, Katech, an engineering company that has worked with Chevy on high-performance Corvettes (including the C7.R Le Mans cars), accidentally put up a landing page for [the "C8 Corvette ZR-1/Zora,"](#) along with an illustration that matches the proportions of the test mule that was first spotted in 2015.

Last week, The Detroit **News** published a story that could force GM to make a decision on the mid-engined Corvette once and for all. The wolves are at the door now, with [Car & Driver confirming](#) that The General keeps its fleet of C8 test mules inside Building 54 at the Milford Proving Ground, and has two Ferrari 458 Italias, two Porsche 911 Turbos, a Nissan GT-R, a BMW i8, and recently had a McLaren in its "benchmark fleet." If we didn't know any **better**, we'd think GM was working on a supercar.

According to [The News](#), the mid-engine Corvette program is code-named "Emperor," and according to several sources will be in showrooms by early 2019. The C7 will likely stick around alongside the new car (which is good, it'd be a shame to see it go after just five years) until 2021, but eventually, the C8 will be the only 'Vette in town.

Continued on next page

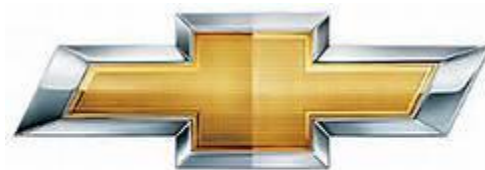

[Corvette News](#)

It's expected to have active aerodynamics, rival the Ferrari 488 and Ford GT in performance (while dramatically undercutting the two on price), and be powered by an all-new and much smaller V8. The new layout will also allow engineers to explore all-wheel drive, and even hybrid and even electric powertrains; an idea that GM seems to be considering since it recently trademarked both the "e-Ray" and "Manta-Ray" names.

And after all these leaks, where does GM stand on it today? One unnamed source told The News: "It's happening. Mark Reuss [GM's global product development chief] wants it," adding "It's the worst-kept secret in town." Chevy's official response? "We do not comment on future product plans." That isn't a yes, but it isn't a no either.

We want to believe this time; and with all these pieces falling into place, we're starting to feel confident that we can't get fooled again.

Corvette Is Unleashing A Supercar In 2019 Codenamed "Emperor" - Maxim

CGCC COMMUNITY SERVICE

COMMUNITY SERVICE

We received a very nice letter from the Clover Park Technical Foundation for our support in contributing to their endowment for the scholarships. We, also, received a very nice thank you letter from a recipient for one of the scholarships. The money we give to CPVT has helped and will continue to help many men and women to achieve their career goal in the automotive field. We are happy to be a part of their success.

We collected \$80.00 in the donation box at the meeting on July 9th plus a box of diapers (from Jack and Stacia), and a bottle of Simple Green and some trash bags. I apologize that I did not see who put the other donations on the table so I could give them a shout out. Thank you to everyone for their donations. Here are just a few suggestions for the meeting next month:

Shower Gels
Makeup Remover
Hair Color

Boxes of Kleenex
Baby Wipes Diapers

I will not be at the meeting next month so Jan Landry has generously agreed to do my report; therefore, I want to thank her in advance for covering for me.

Last, but, certainly not least, I want to say how proud I am to be a part of such a caring and generous club. Thank you all for being so supportive!

If you have any questions, please feel free to contact me:
Candy Bundy—cell phone (253) 625-1252 or email
bundy.candy@yahoo.com.

CGCC COMMUNITY SERVICE

9 June 2016

Dennis Petersen
Classical Glass Corvette Club
PO Box 111208
Tacoma WA 98411 1208

Dear Dennis:

It is a lifelong dream for many individuals to attend college. Your generous gift helps make dreams come true for each and every student who receives the Classical Glass Corvette Club Scholarship. This scholarship gives students the opportunity to receive an education and learn skills that will support them and serve the community following graduation. These same students are inspired by your example of giving and already many have set goals to give back to the community and pay it forward for future college students.

A thank you letter from the recipient/s of your scholarship for Summer Quarter 2016 is attached.

In addition, we're happy to share with you that our endowments continue to grow and are now over \$1 million, creating opportunities for many future students. Due to this growth, during the 2016-17 academic year we will be able to award over \$110,000 in scholarships.

Thank you for your commitment and generosity.

Sincerely,

A handwritten signature in blue ink, appearing to read 'L. Gifford'.

Lyman Gifford, MSNMP, CFRE
Executive Director

CGCC COMMUNITY SERVICE

Received March 2016
Classical Glass Corvette Club Scholarship
\$500 Spring 2016

Dear Classical Glass Corvette Club Scholarship Donors,

I was very happy to learn that I was a recipient of the Classical Glass Corvette Club Scholarship. I am writing to thank you for your generous, financial support towards my higher education. I am an Auto Collision major who plans to pursue a career as an automotive adjuster and eventually open my own shop where I would work on painting and auto body.

I am currently in the second year of the automotive collision program and plan to graduate in the summer of 2016. After graduation, I will seek employment at one of our local auto body shops with hopes of inspiring other students to achieve a higher education.

By awarding me the Classical Glass Corvette Club Scholarship, I am able to concentrate on what is important for me, education. Your financial generosity has allowed me to be one step closer to my goal and has inspired me to help others by giving back to the community. I hope one day I will be able to help other students achieve their goal just as you have helped me.

Sincerely,

Kirk Clark

Thank You
so much!

FOR SALE:

I have a set of C-6 polished wheels off my 2005 Corvette. They have been taking up space in my garage for around 9 years and it's time to rid myself of them.

This was a \$1200 option when I ordered the car. They are a 4+ out of 5 in condition and have been boxed the entire time. They will fit any C-6 except Grand

Sport rear wheels. Anybody who has nicked up original wheels or wants an extra set of Tires & wheels for the drag strip or track might be interested. I have

seen single wheels on Creg's List for over \$200, I'm ready to almost give mine away. Please call me at 253-459-5115. Any reasonable offer will be excepted.

Carl Domschke

NATIONAL CORVETTE MUSEUM

Fast 8 Features Corvette

Filming for the eighth installment of the *Fast & Furious* franchise is well underway and there has already been a 1966 Corvette spotted driven by Michelle Rodriguez in the film. The series of films are known to have some of the coolest rides in the scenes, but the cars do not always come out unscathed. NCM has compiled some photos from filming *Fast 8* in New York and Atlanta, as well as a short clip of a chase scene. Check it out at: <http://www.corvettemuseum.org/corvette-makes-the-cast-of-fast-8/>

Events

The Museum Anniversary Celebration and Corvette Hall of Fame Registration is Open: Labor Day weekend, September 1-3, the NCM celebrate their 22nd Anniversary with an event and the annual Corvette Hall of Fame induction. This year's festivities include a number of seminars, road tours, picture poker run, touring laps at the Motorsports Park, 2017 Corvette Walk-Around, Lifetime Member / VIP Dinner, Celebrity Choice Car Show, Live Auction, Ambassador Lunch, Sip 'n Paint, Past & Present Hall of Fame Roundtable, Hall of Fame banquet and more. A complete agenda and registration is available at: http://www.corvettemuseum.org/event/anniversary-celebration/?instance_id=357

If you are one of the fortunate Corvette owners that did an R8C Museum Delivery, check out the **Museum Delivery, 2016 R8C Reunion**, September 29 – October 1, 2016. On-line registration closes at 8:00am central time on Monday, September 19. All activities are open to Event Registrants only.

The National Corvette Museum is hosting a **High Performance Drivers' Education Program** Saturday - Sunday, August 27-28. Participants will receive classroom and on-track instruction and will be divided into four run groups. Cost is only \$485 for the two day program and all you need to attend is an appropriate track vehicle, an SA2010 (or newer) rated helmet, long pants and closed toed shoes. Read more and register at: <http://www.motorsportreg.com/events/national-corvette-museum-anniversary-hpde-ncm-motorsport-park-motorsports-257220#.V5aMVLVTGht>

Corvettes at Carlisle

In just over a month the Museum be traveling to Carlisle, PA for the annual Corvettes at Carlisle event, August 25-28. The event is known to welcome more than 5,000 Corvettes representing all seven generations. Activities include autocross, burnouts, a parade through historic downtown Carlisle, shopping at the swap meet and from a wide variety of vendors, an all Corvette car corral, Manufacturers Midway and Installation Alley. This year not only will the Corvette Store and NCM Insurance have booths for browsing but the Museum will also be taking their GS90 and Greenwood Corvettes! View the complete event director and receive a pre-registration discount at: <http://www.carlisleevents.com/carlisle-events/corvettes-at-carlisle/> (While not a NCM event, this is one of the premier shows on the other coast. If you are back east during this show, do not miss it.)

Motorsports Park

Holley Tower and **Winding Road Race Shop** opened on Wednesday, July 13. The opening of the Holley Control Tower and Winding Road Racing Shop was celebrated with a ribbon cutting and facility tours. The Holley Control Tower features nearly 15,000 square feet with a variety of spaces including the Winding Road Race Shop, classrooms, meeting rooms, viewing deck and more. More details at: <http://www.corvettemuseum.org/ncm-motorsports-park-holds-ribbon-cutting-for-holley-control-tower-and-winding-road-race-shop/>

Corvette Racing

Corvette Corral at VIR August 26-28 the Michelin GT Challenge IMSA WeatherTech SportsCar Championship will take to the VIRginia International Raceway with both the GT LeMans and GT Daytona classes. The National Corvette Museum is helping to host the Corvette Corral this year, and the corral package includes general admission and access to the Corvette hospitality tent, lunch, swag bags and parade laps. Tickets start at \$50 and you have the option of one, two or three days. Check out the options and reserve your spot at: http://www.etix.com/ticket/p/3284966/corvette-car-coral-danville-virginia-international-raceway#_ga=1.68140561.1616881632.1464200728.

Long term planning: Do not forget to put the week before Labor Day week-end 2019 on your schedule for the Museum's 25th Anniversary Caravan.

Are you a Corvette enthusiast? Are you a National Corvette Museum member? If not, why not?

If you are interested in the National Corvette Museum events or offerings, please contact me or see me at one of our meetings or events.

Len Tucker

CGCC National Corvette Museum Ambassador
